### Delivery/On Sale Days

We deliver twice a week, see below for your applicable area. If you don't receive your deliveries by 10am on the delivery days, you will need to report the non-delivery to the Call Centre by either emailing us at [thecallcentre@aredirect.co.nz](mailto:thecallcentre@aredirect.co.nz), or phoning on 09 979 3018. Please keep in mind that reporting of any shortages must be within 48 hours (or 2 working days) of the on sale date (via email or phone).

	Sunday	Monday	Thursday
Auckland	Yes	No	Yes
Rest of Country	No	Yes	Yes

### When you receive a delivery, we suggest following these simple steps

- Check magazines supplied against your packing slip & invoice
  - o Did you receive all bundles?
    - No – report missing / extra bundles or activate Track & Trace
    - Yes – check each bundle to ensure all titles/quantities are correct
  - o Did you receive everything on your packing slip?
    - No – report any shortages / extras supplied by phoning or emailing us (within 48 hours)
    - Yes – place magazines on shelf

### Tracking Deliveries

Your magazine delivery/bundles can be tracked using your invoice number (this makes up part of your tracking number). You can do this 2 ways;

1. By clicking on your 'track delivery' through our website, following these steps
  - Go to 'Retailer Tasks' (then Invoices/Credits/Statements) or 'Home' tab

- Locate the relevant invoice / onsale date and click on the corresponding 'track delivery' link
- This will take you to the NZ Post website, once there, if you copy the invoice number that is displayed on their landing page & then click into 'enter your tracking number here'
- In this field, enter 'GG', then paste your tracking number (invoice number), then add in your bundle number (i.e., 001) and lastly add in NZ (example below)
  - **GG22086084001NZ**
- Then select 'Track' and this will search the status of your delivery and details will appear below this field for you

Or

2. By visiting the NZ Post website <https://www.nzpost.co.nz/tools/tracking> directly and utilising their "Track and Trace" options as follows
  - In the 'enter your tracking number' and enter 'GG', then paste your invoice number, then add in your bundle number (i.e., 001) and lastly add in NZ (example below)
    - **GG22086084001NZ**
  - Then enter on 'Track' and this will search the status of your delivery and details will appear below this field for you

If you are not able to complete using these options, you will need to contact our Call Centre for assistance.

### Shortages

We have pick to light technology and quality control measures in place that keeps errors to a minimum. However, occasionally discrepancies occur (i.e., where there is a difference between what your invoice states and the actual quantities you have received) and you will need to advise us when this happens.

#### **ALL DISCREPANCIES MUST BE ADVISED WITHIN 48 HOURS OF SCHEDULED DELIVERY**

You will need to advise your;

- Store Name
- Customer Number
- Invoice Number
- The discrepancy (i.e.: title, issue, and the problem)

Email: [thecallcentre@aredirect.co.nz](mailto:thecallcentre@aredirect.co.nz)

Call: 09 979 3018

### ARE Direct Flyers

We use Flyers to share important communications, and these are generally sent to you via delivery, email or posted on our website. Watch for these as they will advise you of arrangements that will impact your store, such as changes in deliveries around statutory holidays.

### **Packing Slips**

These are sent along with each bundle on each delivery day. They detail what you will receive in that bundle, on that day. Bundle sizes are determined by a titles weight and using our Health & Safety Guidelines these should not be heavier than 15kg.

### **Invoices**

You will receive an invoice with your last bundle of each delivery. These will detail the dollar value and recall date for each magazine you receive in this delivery. A copy of these can also be accessed online.

### **Abbreviations**

On your invoices/packing slips you may from time to time see some abbreviations beside the titles. These have the following meanings:

<b>CR (Credit)</b>	A magazine marked CR has become unavailable. When CR appears on your invoice, we will process the credit required to your account.
<b>TF (To Follow)</b>	A magazine marked TF, has not arrived as expected and isn't available at the time of packing. It will be forwarded on arrival into our warehouse with the first possible delivery. Please do not report this as a discrepancy.  TFs only occur when a publisher or printer has failed to meet a promised deadline. We take every precaution to prevent these occurring.
<b>FS (Firm Sale)</b>	Magazines & Products marked FS are supplied at retailer request only and are not returnable.
<b>Packing Slip</b>	On occasions, to meet certain on-sale deadlines, it is necessary for titles to be sent with only a packing slip. This happens when there is insufficient time available to produce an invoice.
<b>F</b>	Full Copy return
<b>C</b>	Cover Only return
<b>RET</b>	Returns Credits
<b>RAD</b>	Return Adjustment Credit
<b>Discr</b>	Discrepancy Credits
<b>SRC</b>	Supplementary Returns Claims
<b>PF</b>	Full Copy Preferred

### **Extra Orders**

You can order extra copies of magazines you currently receive by contacting The Call Centre.

You can order copies of titles that you don't currently have on order by contacting our Call Centre by phone or email and if the title is already onsale and we have copies available, we can process an extra order, so you receive the issue currently onsale.

Situations where this commonly occurs is

- Special issues
- New title launches
- A store locally closes, and you have more customers
- A specific customer request

It is always helpful if you could advise our Call Centre if this is a new request or a temporary increase/decrease.

All Firm Sale orders will need to be requested by email and not phone

All Partworks backorders will need to be requested by email and not phone

***Please always quote your outlet number.***

***This ensures you are not confused with another retailer with a similar name.***

### Searching for Next titles On Sale & Off Sale (recall) Dates

You can search for the next issue onsale by selecting 'Next Issue Only' function on our website <https://www.aredirect.co.nz/Title/Index> and just enter part of the title in the search box or even the barcode. You can narrow your search by selecting a 'Category' and/or 'Frequency' as well.

### Allocating Magazines

We use a sales based allocations system that has the ability to be adjusted manually, this ensures we supply you with a relevant quantity of magazines that allows you to maximise your sales.

After you have been trading for a period of time, your sales will be automatically analysed (using data supplied from your online returns processing) and this will allow us to adjust future supplies to fit your sales needs. If you have a significant change in your store/stand size or consumer footprint and this is likely to impact your historical sales pattern – we suggest you contact our Call Centre and discuss possible increases or decreases to reset your supply.

When contacting our Call Centre, please outline details of the change needed and include your outlet number, the title name(s) and the ARE Direct title code (if possible).

### Offsale/Recall

The Offsale (recall) date is the day that all unsold copies need to be removed from sale and to help you identify which titles to remove from shelves, we post ‘Return’ or ‘Recall’ dates on our invoices, on our Website Title Listing and for all Sale or Return accounts you can use the ‘Pick List’ provided each week via Your Website Logon and this will assist you when preparing & processing your Online ‘Returns/Credit Claims.

All magazines generally have a set onsale period and this is determined by the frequency of the title, for example;

Frequency	No Days/Weeks on Sale	Frequency	No Days/Weeks on Sale
Weekly	7-11 days	Fortnightly	14-18 days
3 Weekly	21 – 25 days	Monthly	4 5 weeks
Bimonthly	8-9 weeks	Quarterly	12-13 weeks
Biannual	26 – 27 weeks	Annual	52 weeks
Special	12-13 weeks	One – Shot	12-13 weeks

For regular frequency titles, such as; weekly, fortnightly, 3 weekly, monthly, bimonthly, quarterly, biannual, annual a new issue is generally sent on or near the date the prior issue is due to be recalled (taken off sale) – thus ensuring the pocket always has an issue on display for your consumers.

### Returns

Magazine Offsale (recall) dates are always on Monday; this is when the ‘Pick List’ and ‘Return Sheet’ becomes available online. On this date all magazines listed on the ‘Pick List’ or ‘Return Sheet’ should be removed from sale and unsold quantities entered on the ‘Return Sheet’ for each title.

Returns Sheets should be completed even if you have nothing to return i.e., you have Sold Out. On these occasions, you should place a ‘0’ quantity for the title/issue.

Retailers are responsible for returning mastheads to us as this forms part of our auditing process. And for Health and Safety purposes, please keep all parcels sent to us under 12kg.

### The Returns Process

There are 2 ways you can gain access to process unsold claims (your ‘Standard Return’)

1. Go to ‘Home Page’ tab and click on View Outstanding & Submitted Returns, or;
2. Go to ‘Retailer Tasks’ tab, then select Returns & returns again

Either one will take you to the 'Outstanding Returns' section, which will display details of Recall dates to be processed.

We recommend your process returns each week as it comes available – as this ensures your returns (and therefore derived sales) are recorded as soon as possible – as your returned quantities are what helps determine your allocated quantities and future supply levels). This section, however, will hold up to 3 recall dates at any given time but please keep in mind that if you opt to leave 3 weeks in arrears, your oldest week will drop off at day 21 (Monday) and the new week will not show until the following day (Tuesday). Please talk to our Call Centre team about how to bring your returns processing up to date and complete using 'Standard Returns' rather than 'Supplementary Returns'.

Example of 3 outstanding returns, viewed on a Monday;

Recall Date	Cut Off Date	Days remaining to complete return
21/9/2020	12/10/2020	1 day remaining to complete
28/9/2020	19/10/2020	7 days remaining to complete
5/10/2020	26/10/2020	14 days remaining to complete

You will note that 12/10/2020 return is not showing on this day as the oldest (21/9/2020) has not yet been processed, 21/9/2020 return will drop off overnight and this will allow 12/10/2020 to appear.

So, on the Tuesday you will see the following;

Recall Date	Cut Off Date	Days remaining to complete return
28/9/2020	19/10/2020	6 days remaining to complete
5/10/2020	26/10/2020	13 days remaining to complete
12/10/2020	2/11/2020	20 days remaining to complete

The ideal would be each Monday only 1 return appearing for you to process – as per below example.

Recall Date	Cut Off Date	Days remaining to complete return
12/10/2020	2/11/2020	21 days remaining to complete

### **Masthead Returns for Auditing purposes**

It is the responsibility of the store to send back a copy of your claim along with the required mastheads as this forms part of our auditing requirements. Returns auditing is a random selection of retailers that we email each week, failure to complete or pass this request can result in your store being included each week. It is important that this process is followed as it allows us to present accuracy in sales & data for Publishers as well as sets your store up for allocating quantities appropriate to your sales potential.

Audit emails are sent by close of business each Tuesday – please hold the claimed copies/mastheads until end of day Tuesday, as failure to complete the auditing process will result in a failed audit for your store.

Here are the ways you can send returns back to us:

1. Organise your own courier service

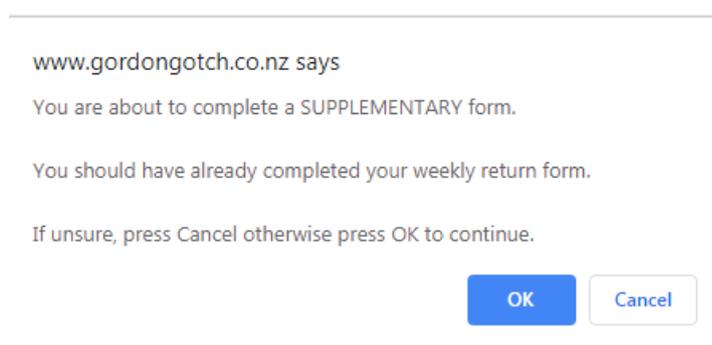

2. Or drop off at ARE Direct warehouse in Auckland
3. Or, by Post to:

ARE Direct Returns  
 PO BOX 76255  
 Manukau City  
 Auckland 2241

- Then you will come to the below screen which allows you to search by scanning the title barcode or by typing in the title description

- Once you have selected the correct issue, you can then enter the quantity and then click the Add' button

### Administration & Cartage Fee

Due to increasing distribution costs, we have an Administration & Cartage Fee that is charged for small wholesale value customers. Each quarter your sales are reviewed and if your store does not reach the required threshold of sales value you will be sent a letter advising this and you will be charged the Admin & Cartage Fee, which will appear on your statement.

### How could this affect you?

If your monthly wholesale value does not reach the threshold of \$650 (excl GST) we will charge \$9.50 + GST per delivery week – this charge recovers some of the costs for distribution to your store (below is an example of how the charges work).

- If you received 1 delivery a month from us the admin & cartage fee would be \$9.50
- Or similarly, if you received 2 deliveries in the same week the admin & cartage fee would be \$9.50 for that week
- Or, if you received 2 deliveries in a month on separate weeks, the admin & cartage fee would be \$9.50 for each week

If your magazine wholesale value is above the threshold of \$650 (excl GST) per month, then no charge.

### Ways you can overcome the Admin & Cartage Fee:

“Extend your title range with some exciting new titles from within the ARE Direct Magazine portfolio”

Work with us to increase your wholesale order value by ordering some of the new & exciting titles from the ARE Direct range. Additional sales help increase your monthly wholesale value.

### **Credit Notes**

Copies of these are included with your monthly statement but at any time a copy can be accessed online. Credits for returns or shortages can take up to 48 hours to appear.

### **Statements**

ARE Direct Statements are available online from approx. 10<sup>th</sup> of each month. You will receive an email copy of your account. The statement is a record of all transactions (debit and credit) that have taken place for your account for the month. Check each entry on your statement with your invoices and credit notes. It is important that you keep all your invoices and credit notes together with your statement for GST records.

### **Paying your ARE Direct Account**

When paying your account, which is due by the 20th of the month following the date on the statement, please include the remittance advice details with your payment.

Should you have any queries, please contact the Contact Centre 09 979 3018, or email the Accounts Team at [ADNZaccountsreceivable@aredirect.co.nz](mailto:ADNZaccountsreceivable@aredirect.co.nz)

### **Phoning The Call Centre**

Our phones lines are available between 8am to 5pm Mon - Fri, please call us on 09 979 3018.

To make this process reasonably quick & easy for you, we suggest you have your Outlet number (for title/delivery inquiries) or your Retailer number (for financial inquiries) handy. In order for us to reduce the wait time for all customers calling us, we restrict allocation/order changes to a maximum of five changes over the phone and instead we recommend multiple changes are emailed through to us for actioning.

### **Change of Ownership**

If you sell your store, we would appreciate being advised of the change of ownership as early as possible. This is to ensure the transition to the new owner and the finalisation of your account goes smoothly.

The information we require is as follows:

- Customer Number
- Change-over Date i.e., the first morning for the new owner in the shop
- New owner's full name
- Forwarding address for outgoing owner

The new owner will be required to complete a New Account Form (which is available on our website in the 'Forms & Guides' tab).
